SKILLS

Communication

Fluent in English, Chinese and Bahasa Malaysia. Have numerous experience in preparing presentation slides with information in clear and concise manner and presenting to audiences. Participated in intrastate public speaking competition (champion) and high school Korean speech contest (champion).

Leadership and management

An active member of Scouts throughout middle and high school. Appointed as a patrol leader in first, second and third year, then a senior leader in fourth and fifth year. Joined the prefect's team from 2011 - 2013, then elected as an assistant senior prefect for three years and class monitor in the following three years. Recently led a team of four in producing a short animated film for a charity organisation. This has allowed me to acquire leadership skills, patience, discipline and teamwork skills while managing a team.

Technical (IT)

Obtained an A for IGCSE ICT; basic ICT theories and ability to carry out tasks effortlessly on Microsoft Words, Microsoft Powerpoint and Microsoft Excel. Completed first year of Animation in NTU with a result of 2.1 and intermediate knowledge on working with Maya and TVPaint. Draws on Procreate almost daily as a past time. This has helped me to work with creative software in producing artworks and posters.

INTERESTS

I am obsessed with drawing and travelling. With such combination, there is an endless possibility when it comes to producing artwork and I believe ideas flow as we see and experience. I spend most of my time doodling and designing characters or creatures and has a collection of personal sketchbooks and art pieces. As a foodie, I spend most evenings cooking and trying out new recipes.
